

Chinese Government Scholarships – Program Overview

Chinese Government Scholarships (CGS) to support Chinese language studies or academic programs of study are available through an agreement between the Ministry of Education of the Peoples Republic of China and the Province of Alberta, Ministry of Advanced Education and Technology (AET). AET administers the recruitment of students and routine management of the program within Alberta. The China Scholarship Council (CSC) evaluates candidates for the CGS scholarships and advises AET of its recommendations.

The scholarship is open-ended with ongoing monitoring of the success of the program. The final decision as to the term of the program is at the discretion of the People's Republic of China.

Up to five full and ten partial scholarships are available each year under the following categories:

Category	Years of Major Studies	Years of Remedial Chinese Language Studies*	Duration of Scholarship
Chinese Language Students	1-2	none	Up to 2
Undergraduate	4-5	1-2	4-7
Master degree	2-3	1-2	2-5
Doctoral degree	3-4	1-2	3-6
General Scholars	1	1	Up to 2
Senior Scholars	1	1	Up to 2

* Remedial Chinese language studies are arranged before major studies. If the major courses for Ph. D and Master Degree students are conducted in English, remedial Chinese language studies will not be arranged (except for undergraduate candidates).

Approval and Notification

The China Scholarship Council CSC will make its recommendations on the basis of academic achievement, demonstrated aptitudes, personal qualities, and character, as well as interest and participation in institutional and community affairs.

Preference will be given to applicants who are proceeding to their first Baccalaureate, Masters or Ph. D degree.

1. CSC will review all application materials and make necessary adjustments to the applied institutions, specialties and duration of study. Qualified applications will be forwarded to different institutions and the final decision to admit the applicant will be made by the educational institution. Applications will be seen as invalid and will not be processed if the applicants are not qualified for admission or are incomplete.
2. Applicants who have not completed admission examinations may be admitted through recommendation, on probation for one year. Student's probationary status will be switched to regular status if they pass the entrance exam or courses. If remedial Chinese courses are needed, students must pass the entrance exam or courses during the period of probation before they can pursue their major study.
3. Applicants for academic study are encouraged to contact the preferred institutions and tutors prior to application and enclose any relevant admission or recommendation letters.
4. Scholarship applicants accepted by Chinese institutions will be officially confirmed as CGS students with endorsement by the Ministry of Education of China.
5. Finalized placements, specialties and duration of studies are in principle not to be changed.
6. CSC will notify the Province of Alberta designate of the List of Enrolled Students, Admission Notices and Visa Application Form for Study in China (JW201) by April 20, 2010. The Province of Alberta will contact the successful applicants and forward the necessary documents to the applicant. The Province of Alberta designate is:
